"that nation would probably be violent" (looks at cosnicu's pacisivism score)
"that nation is right wing" (looks at Cosnicu's form of governance)
"that nation looks like its straight out of a comic book" (Olokay. this one is technically right, but i didnt recognize it at first)
"that nation is a corrupt dictatorship" (looks at Cosnicu's political freedom and integrity scores)
"that nation is scientifically advanced" (finally)

= Blackhawk Realm / Schwarzhabichtreich =

A nation in a different Earth with slightly different countries, the Blackhawk Realm attempts to cement itself as a superpower under novudeism. Its land in Europe is France, Switzerland, Benelux, Denmark, the German Empire, and Catalonia. The Realm is famed and founded on their brutality against those who they see as inferior, like most fascists. Unlike most fascists, however, the state is founded on a new and arbitrary race, state, and/or culture, with worse policies than normal fascism (not as bad as Nazism). This creates a new ideology: novudeism (from Latin novus deus, new day). It includes Aquilanians, Velanidians, Aetherlanders, Lavanese, northeastern Spadacians, and mainland European North Seians.
