The Liamese Empire is a Conservative, Imperialist, Celtic nation with a large Christian population.

P.S. The symbol on my flag is not the triforce, It is supposed to be a symbol of the trinity, the star in the middle represents the Empire.

### Romuva

This place is not a place of honor... no highly esteemed deed is commemorated here... nothing valued is here. What is here was dangerous and repulsive to us. The danger is in a particular location... it increases towards a center... the center of danger is here... of a particular size and shape, and below us. The danger is still present, in your time, as it was in ours. The danger is to the body, and it can kill. The form of the danger is an emanation of energy. The danger is unleashed only if you substantially disturb this place physically. This place is best shunned and left uninhabited.

Despite the name, we are not Latin. Our colonisers gave us that name and we are unable to change that due to the laws passed by some international organisation who believe they can control everything.
