Have only seen them a couple of times but they have a surprising amount of posts, so I'd say known.

Slightly More-than-slightly known.

I've seen 'em around RPs for a while, even if they're not the best when it comes to quality.

Edit: That's a bit unfair of me to say. They participate in plenty of

low-effort RPs, but that's not necessarily bad. As far as low-effort RPs go, their posts are of good quality, and I think they're an example of low line count RP done right.
