Bee Gees - To Love Somebody
From *One Night Only* (1998)

*There's a light
A certain kind of light
That never shone on me
I want my life to be lived with you
Lived with you
There's a way everybody say
To do each and every little thing
But what does it bring
If I ain't got you, ain't got?*

*You don't know what it's like, baby
You don't know what it's like*

*To love somebody
To love somebody
The way I love you*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Michael Bubl  - Home
From *It's Time* (2005)

*Another aeroplane
Another sunny place
I'm lucky I know
But I wanna go home
Mmm, I got to go home*

*Let me go home
I'm just too far
From where you are
I wanna come home*

98% of all Internet users would cry if Facebook broke down. If you are part of that 2% who simply would sit back and laugh, copy and paste this into your sig. All these numbers is confuses my brain

Billy Joel - And So It Goes
From *Storm Front* (1989)

*And every time I've held a rose
It seems I only felt the thorns
And so it goes, and so it goes
And so will you soon I suppose*

*But if my silence made you leave
Then that would be my worst mistake
So I will share this room with you
And you can have this heart to break*

Elton John - Home Again
From *The Diving Board* (2013)

*Could have been a jailbreak and the spotlight hitting me
Or was I just some nightclub singer, back in 1963?
In the old part of Valencia, on the coast of Spain
Never tiring once of hearing songs about going home again*

*If I could go back home, if I could go back home
If I'd never left, I'd never have known
We all dream of leaving, but wind up in the end
Spending all our time trying to get back home again*

Elton John and Leon Russell - Hey Ahab
From *The Union* (2010)

*No freeway traffic in the frozen North
Just a chain link fence full of birds
And when the harpoon's loaded in the cannon bay
You'll be rolling through the pages lost for words*

*Hey Ahab can you tell me where
I can catch a ride out of here?
Hey Ahab hoist that sail
You gotta stand up straight
When you ride that whale*

Katy Perry - Firework
From *Teenage Dream* (2010)

*Do you know that there's
Still a chance for you?
'Cause there's a spark in you
You just gotta*

*Ignite the light
And let it shine
Just own the night
Like the Fourth of July*

*'Cause baby, you're a firework
Come on show them what you're worth
Make them go, "Oh, oh, oh."
As you shoot across the sky*

*Baby, you're a firework
Come on let your colors burst
Make them go, "Oh, oh, oh."
You're gonna leave them all in awe*

Playing fast and running free
Stand up maniacs, you have to fight*

Johnny Cash - Engine One-Forty-Three

From *The Unbroken Circle: The Musical Heritage of the Carter Family* (2004)

*The doctor said to Georgie my darling son be still
Your life may yet be saved if it is God's blessed will
Oh no said George that will not do I want to die so free
I want to die for the engine I love one hundred and forty three*

*The doctor said to Georgie your life cannot be saved
Murdered upon a railroad and laid in a lonesome grave
His face was covered up with blood his eyes you could not see
And the very last words that Georgie said was nearer my God to thee*

Sting - Fields of Gold
From *Ten Summoner's Tales* (1993)

*You'll remember me when the west wind moves upon the fields of barley
You'll forget the sun in his jealous sky as we walk in fields of gold
So she took her love for to gaze awhile upon the fields of barley
In his arms she fell as her hair came down among the fields of gold*

*Will you stay with me, will you be my love among the fields of barley?
We'll forget the sun in his jealous sky as we lie in fields of gold
See the west wind move like a lover so upon the fields of barley
Feel her body rise when you kiss her mouth among the fields of gold*

From *Midnight Memories* (2013)

We knew every line, now I can't remember
How it goes but I know that I won't forget her
'Cause we danced all night to the best song ever*

*I think it went oh, oh, oh
