Equilibrium is key, yet conformism is evil; choose what you do while staying true to the *nations motto*.

*Socialism and The Peoples Opinion are my key philosophies.*

Tutto è possibile, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
