we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

I haven't heard much of them, but I like their song [Paralyzer](#).

[Mono-Legend](#).

I just remembered that the Mono album is like, out, so I'm going through it.
