Free Jeililand is a strong, patriotic society of settlers exiled from a failed state that didn't respect the citizen's right to refuse to participate in a chaotic, uncontrolled, and vile society.

That's why the federal police force control everything instead of the government. How orderly and well kept!

Man and Tiger Man plead with the god to lift the curse. The god agrees to lift the curse only if they do something for him first.

**Illegibile**, Entro il **Castro Verde**

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.

To keep the thread relevant, man ignores whatever the Ashotwo plotline is, and ponders what to do with the plan given to him & Tiger man by God.
