Leonard Cohen - Sisters of Mercy

From *Songs of Leonard Cohen* (1967)

*Oh the sisters of mercy, they are not departed or gone
They were waiting for me when I thought that I just can't go on
And they brought me their comfort and later they brought me this song
Oh I hope you run into them, you who've been traveling so long
Yes you who must leave everything that you cannot control
It begins with your family, but soon it comes around to your soul
Well I've been where you're hanging, I think I can see how you're pinned
When you're not feeling holy, your loneliness says that you've sinned*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

U2 - The Wanderer
From *Zooropa* (1993)

*I went out walkin'
Through streets paved with gold
Lifted some stones saw the skin and bones
Of a city without a soul
I went out walkin' under an atomic sky
Where the ground won't turn and the rain it burns
Like the tears when I said goodbye*

*Yeah I went with nothin'
Nothin' but the thought of you
I went wandering*

There's a jukebox, plays all night
And we can dance real close
Beneath the pulse of a neon light*

That's where we meet
Me and you, rendezvous
In the club at the end of the street*

*Ooh where we meet
Ooh where we meet
Me and you, rendezvous
In the club at the end of the street*

Radiohead - Let Down
From *OK Computer* (1997)

The Velvet Underground - I'm Waiting for the Man
From *The Velvet Underground & Nico* (1967)

*Here he comes, he's all dressed in black
Beat up shoes and a big straw hat
He's never early, he's always late
First thing you learn is that you always gotta wait
I'm waiting for my man, ah work it now*

*Up to a brownstone, up three flights of stairs
Everybody body's pinned you, but nobody cares*

*He's got the works, gives you sweet taste
Ah then you gotta split because you got no time to waste
I'm waiting for my man*

Johnny Cash - Ain't No Grave (Gonna Hold This Body Down)
From *American VI: Ain't No Grave* (2010)

*Well, look down yonder Gabriel, put your feet on the land and see
But Gabriel don't you blow your trumpet 'til you hear it from me
There ain't no grave can hold my body down
Ain't no grave can hold my body down*

*Well, meet me Jesus, meet me, meet me in the middle of the air
And if these wings don't fail me I will meet you anywhere
Ain't no grave can hold my body down
There ain't no grave can hold my body down*

[Born Of Osiris - Follow The Signs](#)

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

U2 - The Playboy Mansion
From *Pop* (1997)

*Don't know if I can hold on
Don't know if I'm that strong
Don't know if I can wait that long
Til the colors come flashing and the lights go on*

*Then will there be no time for sorrow
Then will there be no time for shame*

*And though I can't say why
I know I've got to believe*

*We'll go driving in that pool
It's who you know that gets you through
The gates of the Playboy mansion
But they don't mention, the pain to reach*

Coldplay - The Scientist
From *A Rush of Blood to the Head* (2002)

*I was just guessing at numbers and figures
Pulling your puzzles apart
Questions of science; science and progress
Do not speak as loud as my heart*

*Tell me you love me
Come back and haunt me
Oh and I rush to the start
Running in circles, chasing our tails
Coming back as we are*

*Nobody said it was easy
Oh it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start*

Duran Duran - Ordinary World From *Duran Duran (The Wedding Album)* (1993)

*Came in from a rainy Thursday on the avenue
Thought I heard you talking softly
I turned on the lights, the TV, and the radio
Still I can't escape the ghost of you*

*What has happened to it all?
Crazy someone say
Where is the life that I recognize?
Gone away*

*But I won't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way
To the ordinary world
I will learn to survive*

Passengers - Miss Sarajevo
From *Original Soundtracks 1* (1995)

*Here she comes
Beauty plays the clown
Here she comes
Surreal in her crown*

*Dici che il fiume
Trova la via al mare
E come il fiume
Giungerai a me
Oltre i confini
E le terre assetate
Dici che come il fiume
Come il fiume
L'amore giunger
L'amore
E non so pi pregare
E nell'amore non so pi sperare
