Well, seeing the disturbing figure in the flag, I'd say 8/10. But maybe they're nice?

Stunning nation of foxes that not only can **talk**, but can wield weapons. Not a nation to go to war with. Try to side with the nation of **HSaboteur**. They are willing to be an ally, but if provoked, they leave long-lasting memories...

6.5/10

It's a pretty intense flag in a weird kind of way. Tons of red and yellow, and some aggressive looking symbols.

A neutral intergalactic alliance aiming to protect its own peace and liberty, **NOT** an empire!

I only use NS Stats very loosely - I mainly use factbooks - TG's welcome

**"United to protect our peace and liberty!"**
