Nailing demanded religious reforms without the permission of the Legationary of Rites, the Technoburo, and the approval of the Celestial Thearch is a crime. Punishments may vary, depending on the severity, type and other factors.

Depends on the subject at hand. If it is something unrelated to the Polistasi or our nation, no penalty. If it is about those subjects, then it depends on whether or not it depicts us negatively or if it reveals classified information. If not, no penalty. If so, you're gone.

Fine equivalent to the value of the item store, and/or 1-3 months imprisonment.

If it's a crime in your nation: Going somewhere that has no penalty for doing drugs, doing drugs, and returning before the effects wear off.

If it's not a crime: Going somewhere where drug usage is a crime, and doing drugs.
