The flag makes me think it's an anarchy. The factbooks contradict that, and serve to further confuse me. The policies are bizarre.

So overall, no. Probably not.

BN, use the Azure Syndicate.

Nope.

We are the Ancient Macedonian Empire. Ruled by Alexander the Great, we have become the largest empire of the known world, our armies hold high prestige, such prestige that will never be lost to history. As a historical nation, we do not use NS-Stats as we aim to be historically accurate, even if we use a little bit of alternate history.

There is no divine feminine.

My nations policies are not economic, but a deliberate attempt to kill of the spirits and the sacred forests of the Pagan rebels.

My nation does NOT represent my RL views.
