Definitely, seems like a straight-up utopia.

Professional woman (she/they). Anti-raiding. I do use NS stats (for the most part). I don't actually think an incredibly oppressive economy-focused dictatorship is a good government whatsoever, I just made my country one for fun.

the average income is pretty low, perhaps it translates to American money by a large margin such as 1 eco being worth 5 US dollars but from me, not so much. plus its hot in Mali, i like temperate zones or colder areas

Yes, it overall seems like an almost perfect place, the flaws are rather small, and it has a massive amount of political freedom, something I would personally really enjoy in a nation. Easy 10/10
