Parliamentary republic

THE PRINCIPALITY OF ZERREICHE FÜR PRINZ UND VATERLAND!

A bustling metropolitan city-state situated deep in the Alps, the Principality of Zerreich is a forgotten legacy. Once a key player in the Alpine region and the Italian peninsula's geopolitics, and once home to one of the fiercest, bravest, and most honorable warriors of Napoleon's time during his campaigns across Europe, the metropolitan Principality of Zerreich is now but a mere microstate and tourist attraction site in the Alps that relies on tourism as its major source of income.

Monarchist occupational government in America, show Joe the wall. He needs it.

| **THE DOMINION OF EYJAFJALLA** • *"In one, two, three. We'll put them out of their misery!"*

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

10,000 th comment

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

Plutocratic Oligarchy.

Pray for Ukraine and Moldova.
Stalinist propaganda and other such ideologies should be banned.
Remember the Massacres at Huế, Thạnh Mỹ, Đức Dục, and the Shelling of Highway 1.
