It's nowhere good as Call Me Maybe. □

I occasionally like pop songs, but I don't know enough about the genre to find the few songs I like. I only found out about Call Me Maybe because someone sent me it. □

Yeah, I'm not sure really what to send you in the pop realm □
Because I don't really see you liking Call Me Maybe but you do. And I find it kind of bland while I think Lorde has much more potential.

Maybe you'd like some of The Knife and Fever Ray *shrug*

For another time.

Sweet Trip-Your World is Eternally Complete

I like suddenly rediscovering bands I've forgotten about, such a Little Dead Bertha. It's such a burden having to keep track of hundreds of bands...
