I never really included Sigh in the second wave. I see the second wave as being more the Norwegian bands of the early 90s.

It's not an areathing. Sigh have been around since just after FW, they formed at the very beginning of second.

The street light outside has been broken by the storm and bits of it are rattling on the pole.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Yes, but it's not of the Norwegian scene, and it doesn't sound like the Norwegian scene.

I really like music. Alot.
