Beethoven's fifth symphony.

Political Compass: Economic Left/Right: -10.00 Social Libertarian/Authoritarian: -10

"Those who do not move, do not notice their chains. "

-Rosa Luxemburg

"In place of bourgeois society with all of it's classes and class antagonisms, we shall have an association, one in which the free development of each is the condition for the free development of all" -Karl Marx

There is no such thing as rational self interest; pure reason leads to the greatest good for the greatest number.

One of the many hour-long "[Epic Music Collection](#)" Youtube has recommended for me. So far it's pretty good.
