Mafia shootout on 290th street, 8 dead, 171 injured

171!? Jesus Christ! Are you sure this wasn't a Mafia *bombing*? I mean seriously, that's even higher than the most liberal estimates of how many people died at Tiananmen Square.

By the way, Sovei's sig said 171 *injured*, not 171 *dead*.

Still, how do 171 just get *injured*? at a shootout? Was it in an enclosed space? Even if it was, what sort of event would have 171 people in it? And who carries ammo worth 171 victims to a shootout?

Free Rojava

Well, now that the war in Syria is slogging towards its inevitable conclusion, there are already talks about integrating Rojava as an autonomous state of a more federalized Syria so let's just hope for the best.
