"A communist state that wants everyone to make friends"

Sure...

#### ANDOUR ETERNAL!

A fictional nation situated in an archipelago in between the British Isles and Scandinavia set in the Napoleonic Era, the Kingdom of Andour is a society that exists for a single purpose. Spurred on by hatred of their neighbors and an incessant need to satisfy their beliefs, the independent villages and cities from the freezing blizzards of Vaspiria to the sub-arctic alpine fjords of Fjordland united under a High King. The High King now leads a nation destined to protect the people of the Andouran Isles and to cleanse Europe of its malfeasance.

"Minutes 'Till Midnight: 2 minutes"

A bit random and out of place in the ANs sig.
