Depends on the breed and behaviour of the dog, as well as damage to the dog and the Queen, but usually a symbolic fine for disturbing the peace. Charges can increase to assault and animal abuse in certain circumstances.

Provided they had not intruded on private property, technically none. Though, one can expect that they might get removed by guards.

Loss of suing rights for one year for a first time offense, meaning you are liable for your actions and possible injuries, not the bed company, architecture company, the doctor, or anyone else.

Ninja'd.

Depends on the context, usually a 50 Mirian Pound fine for a first time offense. Can lead to far harsher punishment if it is a big deal.

Classifies as assault, 1200 Utopia fine and max 30 days of jail time, plus 12 hours of community.
