I am starting to hate NSStats

I mean, I'm somewhat fine with them mainly due to my barrage of badges. But feel free to do whatever you want with them canonically; nobody's forcing you to pick a particular choice and stick with it.

For forum games, **factbooks** are your friends

It is 1881, and America still dreams of its "manifest destiny" to rule the continent. The strange pilgrims claiming a kingdom in the Great Basin apparently have other ideas.
