King Crimson - [Improv: A Boolean Melody Medley](#)

See, this is why King Crimson is my favorite band. They're very improv-heavy, and the thing is, their improvs are *good*. It instantly doubles their listenable material outside of just studio albums. Really, it's quite a joy to continue discovering new songs on Crimson live releases.

Beat of her Heart - Gungor

So I finally figured out this was based on a myth. I was confused before. But it's absolutely their second best song.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
