Monkey 5315 wondered how both stories of the death of 5317 could be true, so he had someone beat him to death as he was being crushed between portals.

Monkey 5310 claimed before a tribunal he was only following orders, but that wasn't any good as an excuse.

Monkey 5308 thought he could rely on dodging to see him through any fight. One LMG-armed opponent later, he was made into a drafty dodger.

5297 pondered about why so many monkeys were dying and wound up having an existential crisis in which he became suicidal. He ended up jumping into the Ohio River with cinder blocks tied on his feet.

Monkey 5296 was a cinder block manufacturer who simply could not bear living any longer upon learning that two of his creations helped end another monkey's life. He smothered himself in his own cement mixer.

Monkey 5295, the monkey who sold 5296 the cement mixer, was looking in on the mixer and found Monkey 5296. He hung himself with his own tie when the guilt became too much for him.
