Seems like this thread is hijacked by a Queen fanatic. How droll.

At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Ritchie Valens. I love that type of music(50's pop and rock & roll) and what really astounds me about Ritchie is that he had such a profound influence on music in only 8 months. He was 17 years old when he died. I'm 15 years old so I can only imagine having that much of an effect in just about a year from now.

Pro: Laissez-faire capitalism, republicanism, secularism, social libertarianism, Israel, peacekeeping, environmentalism, fiscal responsibility, freedom of the media, freedom of speech.

Anti: War, religion, religious schools, monarchism, religious states, censorship, imperialism, military alliances, trade agreements, corporatism, social conservatism, religious fundamentalism, socialism.
