Nice! Steven Wilson is my favourite musician.

Right now I'm listening to Jethro Tull's album [Thick As A Brick](#). Will probably follow that up with some Sonic Youth or Gastr Del Sol.

Viva Las Vegas, Dead Kennedys.

if i wind up broke, then i'll always remember i always had a swell  
tiiime

we, unlike the bourgeoisie, have nothing to lose and therefore our expression  
will be the only honest one, our words will be the only challenging ones and our  
art will be the one revolutionary expression. We need new noise and new voices  
and new canvases to become something more than the last poets of a useless  
generation.
