Billy Joel - We Didn't Start the Fire
From *Storm Front* (1989)

*Rosenbergs, H-Bomb, Sugar Ray, Panmunjom
Brando, The King and I, and The Catcher in the Rye
Eisenhower, Vaccine, England's got a new queen
Marciano, Liberace, Santayana goodbye*

*We didn't start the fire
It was always burning
Since the world's been turning
We didn't start the fire
No we didn't light it
But we tried to fight it*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Nirvana - Where Did You Sleep Last Night
From *MTV Unplugged in New York* (1994)

*Her husband was a hardworking man
Just about a mile from here
His head was found in a driving wheel
But his body never was found*

*My girl, my girl, don't lie to me
Tell me where did you sleep last night*

*In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through*

Elton John - Harmony
From *Goodbye Yellow Brick Road* (1973)

*Hello, baby hello
Haven't seen your face for a while
Have you quit doing time for me
Or are you still the same spoiled child*

*Hello, I said hello
Is this the only place you thought to go
Am I the only man you ever had
Or am I just the last surviving friend that you know*

*Harmony and me
We're pretty good company
Looking for an island
In our boat upon the sea
Harmony, gee I really love you
And I want to love you forever
And dream of the never, never, never leaving harmony*

Elton John - Crocodile Rock

From *Don't Shoot Me I'm Only the Piano Player* (1973)

*But the years went by and the rock just died
Suzie went and left us for some foreign guy
Long nights crying by the record machine
Dreaming of my Chevy and my old blue jeans
But they'll never kill the thrills we've got
Burning up to the Crocodile Rock
Learning fast as the weeks went past
We really thought the Crocodile Rock would last*
