[The Weeknd - Blinding Lights](#). Yes, the extended version - I'm just addicted to the 1980s vibe of that song. ^^

Since Lillorainen's geography is currently being overhauled a 'tiny' bit, most information on it posted before December 12, 2018, is not entirely reliable anymore. Until there's a new, proper factfile, everything you might need to know can be found [here](#). Thank you. [#RetconOfDoom](#) (Very late update, 2020/08/30 - it's still going on ...)

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
