most popular? i doubt that, people like bayshire haven't made pro-fascist comments

Fair enough, I was mostly using "most popular" in that context similarly

Anyways, 8/10, I recognize them from back in September, I can't recall if they were more active back then or more active now, but with all things considered they've been a pretty well known face in F7.

Haven't really posted since someone who I can't exactly remember posted a perfect summary of my presence, but eh.

I'd say 7/10. They've certainly been posting more than I've been lately, that's for certain. Not sure where but making 100 more real posts than I have in barely 3 months is pretty good. You're quite recognizable as well, I do see you in quite a few threads.

Pretty sure I know what you're talking about, only other person who I can think of who had/has one is Lib.
Yeah, that was probably me.
However, this flag is to commemorate the Siege of the Alamo, so it'll stay till March 6.
