Electricity never being used,thus,making power outages impossible

Ittonia, an island at the northernmost of the north sea experiencing great history,and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing!Now,we're trying to do our best in this great world.(Even though it doesn't always work out,LOL)

So now,we honorably sign this post in the name of our nation:The Republic of Ittonia

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.
