4-Day Workweek in Germany? 160 companies will begin testing a 4-Day workweek beginning in 1 March

This is something we should look forward to. Some want to take Monday off, others Friday, and a select few would not mind taking the "hump of the week" off of work.

"GONE, BUT NOT FORGOTTEN"

□ □ □ □ □

Intended as the first of a new class of "supercarriers" for the United States Navy under the administration of President Harry S. Truman. Her design was notorious for lacking an island superstructure and its unconventional deck layout, which would not be seen in the succeeding Forrestal-class.  
In 1949, only five days after United States' keel was laid down, she was cancelled by Secretary of Defense Louis A. Johnson as part of a campaign to cut down the naval budget and advance the development of airborne nuclear deterrence via long-range bombers.
