*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Eskimo Joe- When We Were Kids.

Sebtopiaris is a culturally and ethnically Mediterranean, single-party democratic socialist state in the New Warsaw Pact with a population of 39 million Sebtopiarists. Sebtopiaris and its IC actions do not represent my personal beliefs, and Sebtopiaris's overview page does not represent much at all.
