Monarchic triumvirate?

Welcome to Festenicali! My very own personal hell of a puppet

Got a weird urge to found a random region with a nation that used flag design software I'd never used before so I made Festenicali - only use this nation about once every week - don't talk to me if you don't think my life is objectively better than yours - the sun exploded, that's why it's teal and has another circle around it - I'm gonna make a factbook soon I swear - thank god this sig is over you have no idea how much I hated writing this
