I watched a few episodes of that show, but that's it. All I know is M.Night Shimalayan (Or however the F you spell his name) should never be allowed to make another live-action blockbuster again.

Fightstar - Palahniuk's Laughter

AAAHHHHH!

Eh, I guess it might be alright. Just...The live-action The Last Airbender movie was terrible. The acting was so horrible, and even some of the fight scenes were terrible (if not all of them pretty terribly done). Special effects weren't bad, though (mostly).

Cormorant - "Scavenger's Feast"

Really underrated band

Corrian, don't remind me of that abomination that I refuse to recognize as an Airbender movie ☐ ☐
