Mannus is discovered and ejected by Aila.

*Mannus was an impostor.
2 impostors remaining.*

Mannus is still in her spacesuit, which is outfitted to allow her to survive the trip back to Earth; she lands in La Paz, Bolivia.

Man pushes the self-destruct button and immediately flees in an escape pod. He was the only survivor.

Two days later, he arrived in Wales.

Mannus escapes because the Bolivian army confused her with Man. Mannus then escapes to Eastern Ljubljana.

The Slovenian government denies their request to have a business and takes down their shop. They gain an immense debt towards the Slovenian government and illegally immigrate to Baie-Mahault, Guadeloupe.

The French government tries to extradite them, but Man and Mannus take over Guadeloupe and declare independence. All French soldiers are kicked out and flights to Europe are closed.
