NS stats used for civil rights, economy, political freedom. Other NS stats not used. Nation does not reflect views. Anything I said on forums before 2018 is most likely outdated and inaccurate.

Pro: Authoritarianism - Classical (i.e. actual) Corporatism - Christianity - Nationalism - Third Position - Traditionalism

Anti: Anarchism - Communism - Free Market Capitalism - Internationalism - Irreligion - Liberalism - Modern Conservatism - Modern (i.e. liberal crony capitalist) Corporatism - Progressivism

This band is really good. Like, really really good. Seriously underrated post-black metal.
