Kenny Chesney - Spread the Love

*Leave all our troubles behind now, now
Everybody join hands cause it's time now, now, now
(We got to)
Spread the love, spread the love,
All over the world.
All God's people,
Spread the love, spread the love,
All over the world.*

I'm listening to a Chinese vocaloid album - it's a very different sounding language to the usual Japanese.

Are these "human rights" in the room with us right now?

No reason to let it, as far as I'm concerned.

Honestly, I find it a bit weird. It seems more likely to me that an Atheist would enjoy religious music than a religious person enjoying non-religious music. Not saying they don't exist, but still...

Also, a lot of Atheists know things like the Bible better than people who read it all the time, but that's another story...
