Liberal Democrats

News: Days after the coronation of Queen Rose I, fifteen Senators have mysteriously vanished after returning to the Capital from a conference in Christine City. Among them is Phillip "Fighting Phil" Paddock, the Chairman of the Senate Intelligence Committee, who at 98 is the eldest member of the current Senate. President Hinterland issued a short statement of support, joined by Her Majesty the Queen, as the government has executed a number of orders to prioritize the search for the Senators.

Looking at the scarce choice of AN's parties, I would definitely put blank ballot if I were living there.
However, If I were forced to choose, I would probably pick libertarians.
