Hmmm... Jess Glynne whose music is always an ethical breaking of silence, as sometimes the voice deserves unearthing from past nightmares or stranger things we would have preferred to never have had walked, yet the regaining of the pixels of artistry lost or sheltered as well as gained repixilate our self anchoring from the riptides as well as waves of life.....

Thanks for having this posting, as well as Readers for being the Whole of You.

They Might Be Giants - *Birdhouse In Your Soul*

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
