Reno

"Convallaria: A sprawling sun-soaked dreamscape silhouetted far beyond the ethereal horizons of austere morality and petty mediocrity. But behind the sterile flights of state-sanctioned-fancy lies a paradise lost...a land of milk, honey and sex turned rancid in the sun, as the harshly held colonial disciplines of a bygone era yield to the temptations of society's nighttime fragrances..."

"No, I'm not defending German technical superiority, I'm stating the fucking obvious"

"Get fucked, kid

Welcome to the Fatherland."

NS stats for population and GDP are ignored.

A mostly MT nation with some Cold War super-science thrown in for fun.

Deutsche Welle news, August 1995 broadcast:

Local: After a long vacation, the prime news service of Germany is back on the air. / Citizens are advised to keep outdoors activities to a minimum due to the heatwave affecting western Germany.

International: North Korea makes an official request for humanitarian aid due to mass starvation.

[Leader-san](#) || [Overview! \(nothing here yet, sorry!\)](#) || [Me :\)](#)

Welcome to Xiusou! A fantastical nation where modern technology and ideals meet medieval and classical ones, mixed in with a huge dose of fantasy, fiction and myth. Our Premier is immortal and eternally young, our people are among the most skilled and interesting in the world, and our culture is older than the start of recorded human history. We're a land of beautiful buildings, secret places, lost ruins and mystical semi-real creatures. Feel free to pop in and say hi!

~

This nation will act as my main now due to laziness
