The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.

Hmm. Where is NC from? Well, I know he's met the queen, so a Commonwealth nation. I know he's not from Europe or North Africa, and I assume that logically extends to Canada (AKA Britain's Less-Disappointing Younger Child), as well. Ooh, I know!

It is actually better if people come up with creative answers like yours, you know. Otherwise, it's just people saying Malta or Australia, so yours was a welcome break.

The Arian Empire is a multiversal empire spanning 303 multiverses. After conquering its homeworld of Meonia through blood and fear, the empire managed to create several portals leading to other universes. Hey! It's New Carthagea's user here. This was the first nation I made with factbooks. The OG nation from 2013 is having a good time, but it's too cringey to show to you guys.

I crafted this nation with gentle care and affection by answering almost all the issues on the game. Consider it my nation for NS stats. **#JusticeForNSStats**
