We can dance if we want to, we can leave your friends behind, cuz your friends don't dance and if they don't dance, well, they're no friends of mine.

I love that song too.

All Of The Lights- Kanye West ft. Rihanna and Kid Cudi

This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.
