Well At Least its Not Only Me Who Rates you 10/10 XD Plus it Doesn't Mean if you Used the Name Islamic State that you Belong to an ISIS Just Because i Used the Name of My Religion, you can't Judge the Name of Religion When a Terrorist Used it in Violent Way, Well the Reason Why i Rated you in that Way is Because you Don't Tolerate Any Religion in your Country Based on your Communistic Atheist Policy.

Uhh... the game requires you to rate the AN's level of evilness by its flag, not it policy...

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Could easily be anywhere from 0/10 to 8/10

★ The Plurinational Socialist Federation of North America ★

"To a world of liberty and equality for all!"

A council communist federation that emerged from the ashes of a period of mass
social upheaval in North America.

This nation takes place in a world where humanity is in the early stages of
expanding into space.
