They're probably a cultured, quaint European nation with beautiful canals and forests.

They have an excellent fishing industry and are generally a popular tourist hotspot due to their exotic cuisine and clear waters.

I see the symbol of communism (hammer and sickle) in the banner, and the symbol from the flag is there twice. When I take the motto into account, I think these men are fighting for communism, the thing on the flag and three arrows?

btw I hated image interpretation in school, I was bad in it.
