Roman style imperial system

(You know, the one where someone is acclaimed to the position by their loyal followers based on how competent they are, and then they march through the cities and beat everyone into submission. But here instead of measuring it on military victories it's measured on doing yass and sass - I think that sounds cool tbh)

Unitarian Republic.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.
