Monkey 9770 was in the aeroplane that tried attacking the White House or Pentagon when the passengers crashed it in a field as an anti-terrorist coup against the plane.

Monkey 9768 went to jail for shooting monkey 9769 for wanting to be it, and robbing from the banana god worshipers and ended up going to jail for shaving properly, and dropped the soap, which made it commit eat gourmet delicacy (tide pod waffles, with dawn syrup; a personal favorite of monkey 9778).
