Let's play a game. One link logs you out, the other does not. Which one is it.

You do realize that, to make a nation, you NEED to go to the signup/login page. Therefore, the link that logs out is already colored, to show that you have already visited it.
In short the one that doesn't log you out is the bottom one.

And before you ask, Pink Castle City is called that for its pink castle,
