He's probably rolling his eyes right now at Robin Thicke

I feel this.[/quote]

I kinda feel it too. Not to say I'm not happy, but I wouldn't consider myself super happy or anything. Going to visit family will help, most likely. But to be completely honest, I never exactly consider myself as "happy". I got a dumb fortune cookie the other day that said "Your happy mood will make someones day" or something like that, and I'm just sittin' here going "Yeah, I may not be this unhappy person, but I don't exactly consider myself to be this vibrant happy guy who is going to somehow make others better with my "Happy mood"". That's just not how I am.

Hammock-The House Where We Grew Up

Speaking of that...Some house that is very important to my family, that I remember being to countless times even though I haven't been there since before like turning freaking 10, that is being sold ☐. That house has many generations of Easter get-together's at it and whatnot...Kinda sucks.

The "Pete Best" in the band's name is its drummer. You might have heard of his name; he was drummer for The Beatles from 1960 to 1962, when he got kicked out in favor of Ringo.
