Out in the Fields - Gary Moore.  
I gotta recommend this song. It's pretty amazing.

Just because of the name Doperland, doesn't mean we're all high, I mean, seriously, man....

Elton John - Sorry Seems to Be the Hardest Word  
From *Blue Moves* (1976)

*What do I do to make you want me?  
What have I got to do to be heard?  
What do I say when it's all over?  
And sorry seems to be the hardest word*

*It's sad, so sad  
It's a sad, sad situation  
And it's getting more and more absurd*

*It's sad, so sad  
Why can't we talk it over?  
Oh, it seems to me  
That sorry seems to be the hardest word*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Elton John - Believe  
From *Made in England* (1995)

*I believe in love, it's all we got  
Love has no boundaries, costs nothing to touch  
War makes money, cancer sleeps  
Curled up in my father and that means something to me  
Churches and dictators, politics and papers  
Everything crumbles sooner or later  
But love, I believe in love*

*I believe in love, it's all we got  
Love has no boundaries, no borders to cross  
Love is simple, hate breeds  
Those who think difference is the child of disease  
Father and son make love and guns  
Families together kill someone  
Without love, I believe in love*

Elton John - Candle in the Wind  
From *Goodbye Yellow Brick Road* (1973)

*And it seems to me you lived your life  
Like a candle in the wind  
Never knowing who to cling to  
When the rain set in  
And I would have liked to have known you  
But I was just a kid  
Your candle burned out long before  
Your legend ever did*

Bon Jovi - Bed of Roses  
From *Keep the Faith* (1992)

*With an ironclad fist I wake up and french-kiss the morning  
While some marching band keeps its own beat in my head  
While we're talking  
About all of the things that I long to believe  
About love, the truth, what you mean to me and the truth is  
Baby you're all that I need*

*I wanna lay you down in a bed of roses  
For tonight I'll sleep on a bed of nails  
I wanna be just as close as the Holy Ghost is  
And lay you down on a bed of roses*
