A parody nation combining the following elements:

- Burgundian late-medieval extravagance and scheming
- Breton WW II obstinance
- French pre-revolution monarchy
- Luxemburg's imperial aspirations from the 14th century
- every prejudice I have ever had about straight people

You have been warned.

ANs flag's lack of symmetry indicates AN is illogical and uncivilized.

The fleur-de-lys isn't that much of an evil flag. I would say 3/10 because of possible feudalism.

For some strange reason, the black hammer and sickle give me extreme nazbol vibes. I would say 8/10.
