Radiohead - Talk Show Host

Genre: Alternative rock

I've heard this before! The guitar part sounds so familiar. It sounds like something from Law and Order, but I think I remember it from the Romeo + Juliet film and after Googling, apparently this song was used in it.

Rise Against isn't a bad band...but they're so freaking repetitive I don't see why they even bother to write more than one song...they really are all the same thing.

Eh, more or less. I enjoy some of their stuff, and I'm cursed with a friend who listens to them all the time, but they're guilty of that.
