I probably would be able to survive for quite a while, but I'm definitely dying before my 40's.

Weekli Maloniani Comm-Dispatch: SC-D found a bomb in the Ancient Malonian City of... well Malonian... Not sure how the natives made a bomb, possibly advanced civilization. Regardless, it's calling into question how exactly this place was so perfect... Until it was bombed again, that is.

VIVA LA APOCALYPTIA

WHETHER I ACTUALLY USE NS STATS OR NOT IS TOTALLY UP FOR DEBATE. But its probably no... most of the time...

Even going by NS stats (which I really need to clarify that I don't use), this makes no sense.

Were you ninja'd?

No.

The Visari Technocracy, a peaceful civilization of psionic cyborg aliens that use music to power their psionics and communicate.

Maybe, but not forever.

A slavic union of two technologically medieval nations: Vulgaria and Graznavia living in the other dimension called Bermudinia. One more thing. Don't call me lazy! I just have more

important things than NS. And I'm not a furry!

Current year: 7536 (Slavic), 2027 (Christian)

HAPPY NEW SLAVIC YEAR!!!

No. The political freedoms are excellent but the society of AN is strife with obesity problems, early death, horrible diets, unhealthy environments and also makes children work.

I feel like this nation was made for the purpose of having people answer "no" in this thread. For that reason, I'll say yes.
